

Updating Password in Navigator

1. Go to the MRG Navigator Website (<https://mrgnavigator.com>)
2. Type in the username and password provided by your MRG representative.
3. Click on Account then click on Credentials in the top right corner of the screen.

4. A “Edit Account” window will open. It has the username, password, and email associated with account. Type the current password for the username (given to you by your MRG representative). Then, type a new password.

A screenshot of the 'Edit Account' window. The window has a title bar with 'Edit Account' and a close button 'X'. It contains several input fields: 'Username' with the value 'Test', 'Password' with three sub-fields labeled 'Current Password', 'New Password', and 'New Password', and 'Email' with the value 'test@mrgcorp.com'. At the bottom, there are two buttons: 'Save' and 'Cancel'. The 'Save' button is circled in red.

5. Click Save
 - a. A green message should appear and say “update Successful”

6. Refresh the page, which will prompt you to the login in screen. Login with your new password.
7. If there are still issues, please contact your MRG representative, or call the lab at 717-843-8884.
